i Manufacturers may have many manufacturing sites. This list reflects the specific manufacturing site that has been evaluated or undergoing reassessment as part of the prequalification process and is currently prequalified.

ii Prequalified products and the respective manufacturing site must undergo a prequalification reassessment process every 3 years to maintain prequalification status.

iii The plain or natural parallel smooth condom is prequalified for all manufacturers listed. The textures listed have been included in the STED submitted for prequalification.

iv Undergoing prequalification reassessment. Remains listed until found to not meet requirements during reassessment. Pending CAPA submission period extended due to COVID-19 pandemic.

v Prequalification on-site inspection is postponed due to COVID-19 pandemic.

vi Procurers strongly recommended to check with the manufacturers for the most recent and available colors and flavors. A risk assessment should be carried out for any new flavours
